International Development and Children's Rights"**

Dear friends of the United Nations Association in Canada,

Following our Annual General Meeting on the evening of June 21, we are hosting a panel discussion on "Building a More Peaceful World for Our Children: International Development and Children's Rights". Our panelists will address how they are helping war-affected boys and girls as well as children in poverty elsewhere.

Former Senator Landon Pearson, one of Canada's leading champions for the rights of children, will moderate the panel.

Linda Dale of "Children/Youth as Peacebuilders" (CAP) will speak on the use of art therapy and other approaches to help children of war-torn regions in developing countries. Information about CAP is available at www.childrenyouthaspeacebuilders.ca

Jennifer Adams and Maryse Guimond of "Plan Canada" will talk about their projects in Colombia, Haiti, Sierra Leone, Sudan and other parts of the world. For more information go to www.plancanada.ca

Our annual event is open to the public. We encourage you to spread word of our event and to bring colleagues, friends and family.

Yours sincerely,
Sara El Sonbati and Shane Roberts – Co-Presidents
